

Friday 2nd October 2026

Dear families,

It has been another busy and enjoyable week at school, with plenty of opportunities for learning and collaboration.

This week, we thoroughly enjoyed our forest and beach visit with West Alvington. It was wonderful to spend time learning and exploring together, and it is always a pleasure to bring our two schools together. These shared experiences help to strengthen friendships, build confidence and create lasting memories for our children.

Next week, we are looking forward to welcoming Martin Bush to our school. Pupils will have the exciting opportunity to meet the artist and take part in a creative workshop linked to their current learning. We are sure this will be an inspiring experience for everyone involved.

We have also added several new dates to our Dates for the Diary section. Please do take a moment to check these carefully so that you are aware of upcoming events and important information for the weeks ahead.

Thank you, as always, for your continued support. We hope you all have a lovely weekend and look forward to another exciting week of learning.

Mrs Ruston

Dates for your Diary

Monday 5th October- Praise assembly 14:50
Tuesday 6th October- Art workshop
Wednesday 7th October- Welly walk
Thursday 8th October- Magma maths parent workshop 3:15pm
Friday 9th October- Hello Yellow (Wear something yellow to school)

Wednesday 21st September- RNLI boat trip
Thursday 22nd September- Parent consultations
October 26th-30th- Half Term
Wednesday 11th November-Tempest Individual & Sibling Photos

Praise assembly: Our praise assembly will now be on the first Monday of every month at 2:50, the next one is Monday 5th October 2026

Sunny Cove

We have had such a fun-filled week of learning and adventure!

On Wednesday, we enjoyed a fantastic whole day at Forest and Beach. We spent the morning exploring the orchard, making fresh apple juice, creating beautiful nature necklaces and enjoying our lunch outdoors. In the afternoon, we headed to the forest school area where we had great fun relaxing in the hammocks, cooking up imaginative creations in the mud kitchen and exploring the woodland environment together. It was wonderful to see the children embracing the outdoors and making the most of these exciting learning opportunities.

As geographers this week, our KS1 children have been learning about the weather and how the seasons affect it. They used their knowledge to create their own weather forecasts and loved presenting them to their classmates. Meanwhile, the KS2 children explored different types of settlements, discussing the advantages and disadvantages of each and considering why people choose to live in different places.

In Art, we have been investigating a range of painting techniques inspired by Martin Bush. The children experimented with different methods and styles, producing some fantastic artwork along the way. We are all very excited and cannot wait for our workshop with Martin next week! We are sure it will be an inspiring and memorable experience for everyone.

Our school ambassadors

Nature ninja- Oakley

Work has started on restoring the plant pots in the playground. We will be looking to paint them

Movement master- Rupert

This week warm up is Dangerous Dogs!

Football club- If you would like to

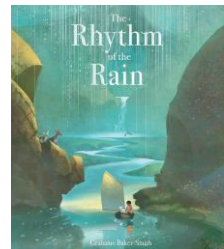

Masterpiece maker- Ruby
