

Friday 25th September 2026

Dear families,

We have had a wonderful week at Charleton!

On Thursday, we were delighted to join the children at West Alvington for a fantastic Science Day. It was lovely to learn together, take part in exciting activities and spend time with our friends from across the hub. The children particularly enjoyed the welly walk, exploring the outdoors and working collaboratively throughout the day.

We also had a great time making fruit crumble. The children worked hard to prepare their ingredients and were very pleased with the delicious results. The crumble was absolutely lovely!

Next week, we are looking forward to joining West Alvington at Forest and Beach.

We hope you all have a lovely weekend.

Mrs Ruston

Dates for your Diary

Wednesday 30th September- Forest School at Forest and Beach, Beesands

Monday 5th October- Praise assembly 14:50

Tuesday 6th October- Art workshop

Wednesday 14th September- Forest School

Monday 19th October- Harvest Festival

Wednesday 11th November-Tempest Individual & Sibling Photos

Praise assembly: Our praise assembly will now be on the first Monday of every month at 2:50, the next one is Monday 5th October 2026

Sunny Cove

This week we enjoyed a fantastic **Crumble Workshop**, where we made a delicious apple and blackberry crumble. We learned lots of interesting facts about apples and used our creativity to produce some beautiful apple-themed artwork.

As **Linguists**, we celebrated **World Languages Day** by learning how to say "hello" in a variety of different languages from around the world. It was great fun exploring different cultures and discovering new words.

As **Computer Technicians**, we worked collaboratively to create a shared PowerPoint presentation all about France. We developed our computing skills by adding information, images and slides, while learning more about this fascinating country. It was wonderful to see everyone working together and sharing ideas.

Our school ambassadors

Nature ninja- Oakley

Work has started on restoring the plant pots in the playground. We will be looking to paint them different bright colours if anyone has any paint they could donate.

Movement master- Rupert

This week warm up is Dangerous Dogs!

Football club- If you would like to take part, please bring in spare shoes/ trousers to keep in school

Masterpiece maker- Ruby

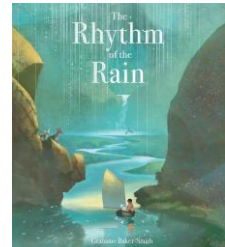

The artist for this term is Friday Kahlo.

Fact file:
Full name was Magdalena Carmen Frida Kahlo y Calderon

Born 6th July 1954

Library leader- Luella

The book of the week is The Rhythm of the Rain.

I like how the rain is like magic.

		She loved wearing bright traditional Mexican dresses She had pet spider monkeys, dogs, parrots and a fawn She started to paint when she was in bed for 3 months after a bus accident.
