

Friday 11th September 2026

It has been wonderful to welcome the children back to school this week. They have returned happy, settled and ready to learn, making for a very positive start to the new academic year.

The school is looking lovely, and I would like to extend a huge thank you to our estates team, who have been busy over the summer decorating the upstairs classroom. Their hard work has helped to create a bright and welcoming learning environment for our children.

I would also like to thank Mrs Quick, who has spent a great deal of time organising furniture and resources to ensure that our new school structure is a success. Her dedication and careful planning have helped everything run smoothly ready for the start of term.

We look forward to welcoming you into school next week for the opportunity to look around our learning environments and meet with Mrs Quick on Thursday. This will be a chance to discuss key information for the year ahead and find out more about the exciting opportunities planned for your children.

Thank you for your continued support. We wish you a lovely weekend and look forward to another successful week ahead.

Have a lovely weekend

Mrs Ruston

Dates for your Diary

Wednesday 16th September- Forest School

Thursday 17th September- Meet the teacher 3:15

Friday 18th September- Jeans for genes (wear a pair of jeans for a £1 donation)

Wednesday 23rd September- Crumble workshop

Wednesday 30th September- Forest School

Tuesday 6th October- Art workshop

Wednesday 14th September- Forest School

Monday 19th October- Harvest Festival

October 26th-30th- Half Term

Praise assembly: Our praise assembly will now be on the first Monday of every month at 2:50, the next one is Monday 5th October 2026

Sunny Cove

We have thoroughly enjoyed our first week back in Sunny Cove and it has been wonderful to be reunited with our friends. The children have settled back into school life brilliantly and have enjoyed taking part in a range of exciting activities.

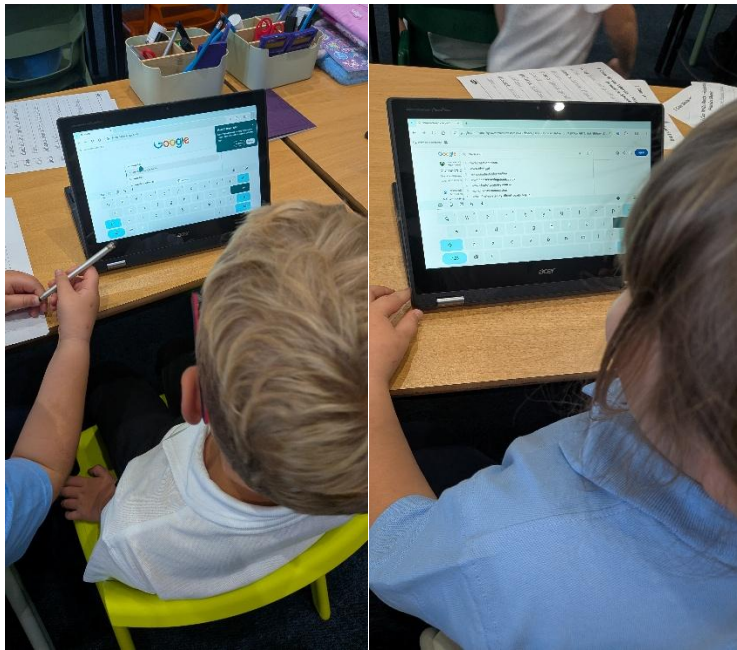

This week, we took part in a fantastic chocolate workshop where we learnt all about how chocolate is made and had the opportunity to create our own delicious treats, including Turkish delight and chocolate truffles.

As artists, we have been exploring the work of local artist Martin Bush. We have been thinking carefully about how he uses colour and shape to express emotions in his artwork, and the children have enjoyed discussing the different feelings that art can convey.

We have also had lots of fun using our brand-new Chromebooks. During our computing lesson, the children enjoyed exploring the devices and developing their digital skills. They were excited to learn how to use the Chromebooks safely and responsibly while completing their computing activities.

We look forward to sharing more of our learning and achievements with you throughout the term.

Attendance

Our attendance target is 98%

Our school attendance is currently 95.8%
