

South Hams Hub (All Saints' Thurlestone, Charleton and West Alvington Church of England Academies) Mixed Class Overview

Scheme of work utilising the Devon and Torbay SACRE Agreed Syllabus 2024–2029 (inc. references to Understanding Christianity material)

Our Overarching Curriculum Intent

Our curriculum is the beating heart of our academy and is rooted in John 10:10.

“I came that they might have life and live it to the full”

Our children will flourish through experiencing a knowledge-rich curriculum which is both broad and balanced and fosters a love of learning, enabling all children to make connections and be well prepared for the next stage of their education.

Curriculum Intent for Religious Education

As global citizens, our children will develop a positive sense of self and others through a coherent, knowledge-rich understanding of religion and belief. They will gain an understanding of what people believe and the difference that this makes to the way in which they live. They will express their own ideas in response to material they engage with and be curious to ask increasingly challenging questions. Through these meaningful discussions and reflections, children will develop respect for those of different faiths and beliefs and develop a moral and cultural awareness of what it means to be human in today's diverse world.

EYFS - Nursery

Whilst in Nursery, children engage in experiences and learning opportunities which provide the building blocks for later development. We start with things which are familiar to the children, and providing lots of hands-on activities and learning are an important part of children's learning at this stage.

Themes which lend themselves to opportunities for RE work include the following:

Myself	People who help us	Special times
My life	Friendship	Our community
My senses	Welcome	Special books
My special things	Belonging	Stories
People special to me	Special places	The natural world

Good teaching in the EYFS will always build on children's interests and enthusiasms as well as their learning and development needs, and themes should be developed accordingly.

EYFS – Reception (RE Today unit)

In the EYFS, children should encounter Christianity and other faiths as part of their growing sense of self, their own community and their place within it. Three units below focus on Christianity, and the others include opportunities to encounter Christians, Hindus, Jews and Muslims, as well as non-religious responses and ways of living.
